Ethan,

How's everything going? OK I hope!

I guess since you didn't Tex us Sunday they didn't Let you this time.

I have a question, when you watch Army guys on TV, they Refer to a distance in clicks. How far is a click?

The Rain finally ~~Stopped~~ Stoped here but is pretty cool, about 42°. I talked to a couple of men that work here at the RV Park about the summers here. They basicly said you don't want to be here. ITS Hot & the humidity is high, about 95%.

The ~~K~~nats are Really bad here and so are the flies & mosquitos. They have to spray here 3 times a week for fire ~~Ants~~ ANTS.

They have alligators here & a lot of water mockisins (Poison snakes) Winters are nice but I think will move elseware this summer.

Hope Fully you will be out of AIT before it gets Really Hot & Humid & maybe they will send you somewere were the wether is Really nice. Mabe Butlerville Indiana AT Mistaituck L.O.L.
